

Spring 2020 – OUTSIDE VOLUNTEER GROUP SCHEDULE

Requirements of Group

1. All Groups are required to arrive at the time indicated and watch a brief volunteer training video just prior to their first game.
2. Groups of volunteers under 18 years of age require at least TWO adult volunteers/supervisors to help oversee and coordinate participation. These adults will need to introduce themselves to the coaches and be responsible for the group during participation.
3. We ask that the group, where possible, please park across the street in the Safeway parking lot to free up spaces for our players with special needs and families that are in greater need of having close parking options.
4. If the weather is at all questionable on a Volunteer day, the group leader/participants themselves must be responsible for checking our website, www.mlaz.org, or twitter (@MiracleLeagueAZ) or facebook page (www.facebook.com/MiracleLeagueAZ) for cancellation postings.
5. If you realize ahead of time that your group numbers are low, or the group will have to cancel, please let us know so we can recruit additional bodies for that game/day.
 - a. Note – Groups of 8-12 volunteers are optimal to ensure everyone gets the opportunity to be involved, and we have all volunteer needs met on a given game.

Divisions

- Recreational Divisions
 - There are no strikes or outs. Everyone gets the opportunity to hit and score a run. Emphasis for volunteers is on encouragement and enthusiasm
- Competitive Divisions
 - We have modified the rules for this game, and there are outs and strikes. Baseball knowledge or experience is recommended for volunteering with this division. Emphasis is on safety, skill development, and working as a team.
